Environmental
Sustainable

**be SMART
for Opportunities
in 3rd Countries**

The background features a collection of 3D geometric shapes, primarily triangles and pyramids, in various shades of gray and blue. These shapes are scattered across the frame, some appearing sharp and in the foreground, while others are blurred and recede into the background, creating a sense of depth and movement.

SUSTAIN for 3 Billion € Trade

Automotive Poland-Turkey

**Support to Vocational
(since 2013)**

➡ ➡ €2 million worth of tools,
equipment, parts donated to
